Dear Ms. Davis:

This letter is in response to your inquiry dated August 2, 2012 in which you reference the Amended October 2010 Quarterly Report (8/26/10-9/30/10).

Schedule A, Conduit Transactions

The committee has reviewed Schedule A and the included conduit transactions and has confirmed that the transactions meeting the itemization thresholds were included on the report as filed. In addition, the total contributions received were also shown on Schedule A along with the required information relative to name, address, etc. Therefore, no amendment is necessary.

Schedule B – Petty Cash

The referenced transaction was described as "Petty Cash Replenishment" and was an internal transaction effected to replenish the petty cash account. This transaction was not made from the committee to an outside vendor.

Schedule B – Travel & Subsistence Transactions

The committee has reviewed the referenced transactions and has determined that they were reported correctly on the report as filed. Therefore, no amendment is necessary.

Schedule B – Stipend

All of the transactions described as "stipend" were made by committee check. Therefore, no amendment is necessary.

Sincerely,

Matthew Moran
